Teaching

2020 - 2021 | **Proyecto Tutorias DECEP**, University of Puerto Rico

Conducted assessments to identify the educational needs of my students and developed individualized learning plans.

Tasked with providing tutoring services to seven high school students for 10 hours a week in the subjects of Algebra and Pre-Calculus.

2020 - 2021 | Tutor, Self-Employed

Evaluated students learning styles and provided appropriate techniques for maximizing understanding and minimizing frustration.

Simplified math concepts while coaching students to think critically when problem solving; eventually introducing them to axiomatic systems within mathematics.

Provided tutoring one-on-one to five highschool students in the subjects of Algebra, Pre-Calculus, and Geometry for two times a week, at two hours for each session.
